UPDATE FOR 2018/19

OFSTED BRIEFING

In December SHMI duo David and Martin gave an insightful presentation to Heads and Senior Leadership teams on their new framework and expectations. Since this presentation their framework has been publicised and recently had good reception through the media.

DERBYSHIRE TEACHING SCHOOLS

As part of our drive for collaboration within Derbyshire we are working towards providing services to schools in partnership with other providers in the county. It is an exciting time for us all, looking at the future with greater strength and capacity. You can find out more information through our new website at www.dtst.co.uk

AMBITION

At Altius we have been working with Ambition School Leadership who wish to transform the lives of children in disadvantaged areas by building a network of exceptional school leaders at all levels. Our Current Training programmes running are Middle Leaders (NPQML) and Senior Leaders (NPQSL)

ITT

Sarah Bennett oversees the ITT groups and is currently working with Secondary and Primary Post Grad students. We all know education needs more good teachers which we are striving for through our excellent programme of training.

NETWORKS

Over the last year we have worked with Science Learning Partnership, English Hubs, Maths Hubs and Pupil Premium teams to provide networks and training. If you would like to be involved in any of these please contact us.

In November we welcomed the newest member of our team Lucy Wood as our Teaching Schools Coordinator. She will be working with us until March 2020 part time. Some of you will have already had a lot of contact with Lucy over the phone or Email; so here's a face to the name.
